

Fig. 1A

**Fig. 1B**

The diagram illustrates a multi-layered structure 110. It consists of a top layer 111, a middle layer 113, and a bottom layer 112B. A vertical line 18 passes through the layers, with a cross-section 14A at the top and a cross-section 14B at the bottom. A rectangular block 15 is connected to the bottom layer 112B, and a rectangular block 16 is connected to the middle layer 113. A vertical line 19 is at the bottom.
